

### Roy E. Stafford - Refereed Journal Articles at Vernon

1. Stafford, R.E. and C.R. Lewis. 1975. Natural crossing in guar, *Cyamopsis tetragonoloba* (L.) Faub. *Crop Science* 15:876-877.
2. Stafford, R.E., J.I. Kinman, L.E. Brooks and C.R. Lewis. 1976. Registration of crop cultivars. *Crop Science* 16(2):309.
3. Stafford, R.E., J.S. Kirby, M.L. Kinman and C.R. Lewis. 1976. Registration of Kinman and Esser guar. *Crop Science* 16(20):310.
4. Rogers, C.E. and R.E. Stafford. 1976. Budding phenology of guar in the Rolling Plains of Texas. *Agronomy Journal* 68:496-499.
5. Stafford, R.E. and C.R. Lewis. 1981. Registration of five guar germplasm lines. *Crop Science* 21:147-148.
6. Stafford, R.E. 1982. Yield stability of guar breeding lines and cultivars. *Crop Science* 22:1009-1011.
7. Stafford, R.E. 1982. Effect of honeybees on crossing percentage and pod-set in guar. *Crop Science*. 22:1049-1051.
8. Stafford, R.E., D.T. Ray, D.L. Johnson and R.K. Thompson. 1983. Five guar germplasm lines. *Crop Science* 23:808.
9. Stafford, R.E. and T.E. Thompson. 1983. Registration of sunflower parental lines HA 207. *Crop Science* 23:195.
10. Stafford, R.E. and D.T. Ray. 1985. Registration of Lewis guar. *Crop Science* 25:365.
11. Ray, D.T. and R.E. Stafford. 1985. Genetic nomenclature in guar. *Crop Science* 25:177-179.
12. Ray, D.T. and R.E. Stafford. 1985. Registration of 'Santa Crus' Guar. *Crop Science* 25:1124-1125.
13. Seiler, G.J. and R.E. Stafford. 1985. Factor analysis of components of yield in guar. *Crop Science* 25:905-908.
14. Stafford, R.E. and G.J. Seiler. 1986. Path coefficient analyses of yield components in guar. *Field Crops Research* 14:171-179.
15. Stafford, R.E. 1987. Description and breeding behavior of two partial male sterile guar plants. *Plant Breeding* 98:292-296.

16. Stafford, R.E. 1988. Inheritance of rosette-raceme in guar. *Crop Science* 28:609-610.
17. Stafford, R.E. 1989. Derivation of backcross populations in guar using a controlled natural crossing technique. *Guar Res. Ann* 5:4-7.
18. Stafford, R.E., and G.L. Barker. 1989. Heritability and interrelationships of pod length and seed weight in guar. *Plant Breeding* 103:47-53.
19. Stafford, R.E. 1989. Inheritance of partial male-sterility in guar. *Plant Breeding* 103:43-46.
